- A)** Not reduce your blood alcohol concentration.
- B)** Reduce your blood alcohol concentration quickly.
- C)** Cancel the effects of alcohol.

Answer: A

Q13. You approach a railroad crossing and do not see or hear a train. You must stop when:

- A)** When flashing red lights are activated or a gate is down
 - a stop sign is posted
 - a flagger signals you to stop
 - or a train is visible or close enough to be hazardous.
- B)** Only if a crossing gate is lowered.
- C)** Only if the crossing lights are flashing.

Answer: A

Q14. What is the best way to handle a driver who is tailgating you?

- A)** Gradually slow down or change lanes to encourage them to pass.
- B)** Slam on your brakes to frighten them away.
- C)** Speed up to increase the gap to the vehicle ahead.

Answer: A

Q15. Where are stop lines (solid white lines) painted on the pavement?

- A)** At intersections and pedestrian crosswalks.
- B)** Next to churches and schools.
- C)** In curves and on hills.

Answer: A

Q16. What color lines separate lanes of traffic moving in the same direction?

- A) Yellow
- B) Red
- C) White

Answer: C

Q17. When changing lanes on a highway, which actions should you take?

- A) Signal
 - check your mirrors
 - and look over your shoulder to be sure the blind spot is clear before changing lanes.
- B) Check mirrors only because they show everything you need.
- C) Signal only and then change lanes quickly.

Answer: A

Q18. If you hear or see an emergency vehicle approaching, how should you react?

- A) Proceed normally if the emergency vehicle is in the opposite direction on a divided highway and no lane change is needed.
- B) Stop immediately in your lane
 - even if you are in the middle of an intersection.
- C) Move as far to the right as is safe and stop until the emergency vehicle has passed.

Answer: C

Q19. What does an orange traffic sign usually indicate?

- A) A railroad crossing ahead.
- B) Construction
- C) A school zone ahead.

Answer: B

Q20. If you hear or see an emergency vehicle while on a divided multilane highway, what should you do?

- A)** Disregard the signal if other lanes are open.
- B)** Stop as quickly as possible in your lane.
